## Expert Witness

Safinah Group's expert witness service is designed to reduce cost going forward by using the extensive knowledge and expertise of our team to provide accurate, unbiased and swift delivery.

---

As recognised leading experts in marine, protective and yacht coatings, we provide our expert witness services to insurance companies, law firms, loss adjusters, paint companies, ship owners, asset owners, ship builders, facility operators, manufacturers and charterers.

Safinah Group has often been appointed to mediate as an independent third party to minimise the time and cost of disputes.

Clients who use our services are often at the point where mediation has failed or legal proceedings are underway.

### We offer our clients:

- Preliminary opinion – an effective way of ensuring early adoption of the correct strategy, improving prognosis of success and minimising costs,
- Provision of timely, accurate expert report,
- Support through to resolution.
